

Global Women's Breakfast 2022

February 16, 2022

iupac.org/gwb

You are invited to the [IUPAC Global Women's Breakfast #GWB2022](https://unipd.zoom.us/webinar/register/WN_tVVQYWHNT-iWiBoS52Wt1A)
“Empowering Diversity in Science”
16 Feb 2022, 16.00-17.30

The aim of the GWB series is to celebrate the accomplishments of Women in Science and to inspire younger generations to pursue careers in science. All are welcome to join regardless of gender identity.
The meeting will be held online, ...bring your own breakfast (or aperitif).

Institutional Welcome

Women's stories from life and the laboratory

Dr. Caterina Carraro

Postdoctoral Researcher at the System Medicine, Deutsches Zentrum für Neurodegenerative Erkrankungen e. V. (DZNE), Bonn, Germany; Life and Medical Sciences Institute (LIMES), University of Bonn, Germany.

Prof. Chiara Sirignano

Associate Professor at the Department of Physics and Astronomy (UNIPD)
Euclid ESA Mission

Prof. Giulia Marina Licini

Full Professor at the Department of Chemical Sciences (UNIPD)
Head of Molecular Recognition and Catalysis group

16:50 Roundtable

Chaired by Prof. Valentina Gandin (DSF) and Prof. Barbara Fresch (DiSC). We will confront our speakers and the audience on the themes of gender diversity in education and scientific research

Registrazione obbligatoria entro il 15 Febbraio 2022:
