

MATERIALS SCIENCE PROGRAMME of the MASTER DEGREE in MATERIALS SCIENCE (double degree with the University of Giessen, Germany): procedure for the selection of candidates

1. The deadline for application is March 15, 2019, at 12.00.

2. Applicants must submit the following documents (in English):

- i) Application form (see Annex);
- ii) Bachelor's Degree certificate with grade;
- iii) Letter of motivation;
- iv) English competency test at least at the B2 level.

The documentation must be sent to ac_giessen_ms@chimica.unipd.it in a single zipped file with the name of the candidate (*name_surname_Giessen.zip*).

3. The selection will be carried out by a Committee formed by the academic coordinator and two members of the Study Board in Materials Science.

4. The interviews, in English, will be carried out by the Committee on a date that will be communicated to the candidates by e-mail.

5. Based on the evaluation of the submitted documents and of the interviews, the Committee will establish a ranking list of suitable candidates, which will be published on the web pages of the Master's Degree in Materials Science.

6. The five highest ranked candidates who will have earned at least 48 ECTS before the mobility period will be admitted to the programme.

7. If one of the successful candidates renounces before the beginning of the mobility period, then the next one in the ranking list will be admitted to the programme.
