

Lunedì **17 Aprile 2023** alle ore **15:00**, Aula H

Dr. Laura Fisher

Executive Editor RSC Advances – Royal Society of Chemistry (UK)

terrà il seminario dal titolo:

How to publish – an Editor's guide to peer review and publishing

“... tips and advice on getting your research published, how to maximise your impact and on the publishing and peer review processes. The talk will also include time for you to ask our editors your own questions directly.”

La presenza della S. V. sarà molto gradita

Giacomo Saielli

*Il Direttore del Dipartimento
Michele Maggini*
