

Thesis application - Compilation instructions

This form must be filled in, signed, and sent to: com.lauree.sdm@chimica.unipd.it.

The last page must be filled in only if the student would like to give to the Department a private e-mail in order to receive information about professional opportunities even after the completion of the Ms degree.

The student must delete this page before sending the pdf file.

The period of Thesis work must start after the date of application, earlier starts must be authorized by the Commissione Lauree.

If the Thesis work takes place abroad, even partially, the student must declare the duration and the destination of the transfer and the mobility programme in which it takes place.

This form is given as fillable PDF. In order to open it, it is strongly recommended the use of Adobe Acrobat Reader.

Master Thesis application form for the Ms Degree in Materials Science

Surname	<input type="text"/>
Name	<input type="text"/>
Student ID	<input type="text"/>
Credits of registered exams (at least 50)	<input type="text"/>
Start date of Thesis work (not earlier of the application date)	<input type="text"/>
